RESOLUTION 2022-01

MILEAGE REIMBURSEMENT

WHEREAS, the Utah Administrative Code R-25-7, provides a means for individuals to be reimbursed for mileage incurred while conducting business for a government entity; and

WHEREAS, individuals are often required to attend meetings and participate in trainings which provide essential information, service, and/o benefit for the Town of Dutch John; and

WHEREAS, the Town of Dutch John does not provide a vehicle for this use; and

WHEREAS, the Town Council believes individuals should be reimbursed for mileage incurred while providing benefit for the Town.

NOW, THEREFORE, BE IT RESOLVED, by the governing body of the Town of Dutch John:

Any individual who travels for meetings, training or other activities which provide benefit to the Town of Dutch John in his/her own vehicle is entitled to receive mileage reimbursement at the current federal (GSA, General Services Administration) approved rate.

Requests for reimbursement must be submitted on the proper form and submitted to the Town Council for approval and payment.

PASSED AND ADOPTED this 13th day of April, 2022.

TOWN OF DUTCH JOHN
